14 Hot Ham & Cheese on a Bun French Fries Broccoli Florets Fruit Cocktail Canned Fruit Choice Milk Choice	15 Pepperoni Pizza Tossed Salad Cherry Tomatoes Fresh Orange Cookie Canned Fruit Choice Milk Choice	16 Hot Dog Celery Sticks Fresh Baby Carrots Baked Beans Juice Canned Fruit Choice Milk Choice		

~~ NEWS FROM CREST CLASSROOMS ~~

Mr. Lee, Social Studies Teacher

With the end of the year quickly approaching, and having several new preps I am teaching, I am quickly realizing that I am not getting along my timelines very fast, and will not get near as far as I had wanted to this year. For the students that I have had this year, I hope they can take something away from my classes, and take them into their next years of school, and build upon them.

Hopefully these next few weeks, the Senior Class will be able to look back on their school career here and Crest and see the good times they had, and look forward to their futures, whether it be a technical school, work, or starting college.

Ms. Nordt, Elementary Resource Teacher

Hi, Everybody! I would just like to say that I have enjoyed my time at Crest this year and will miss working with students and staff. I have some summer projects to work on to keep me busy. One of them is a quilted wall hanging for my youngest niece. Again, it has been a pleasure to work here at Crest.

From the Desk of Mr. Travis Hermreck, Elementary Principal

The inaugural high school softball and baseball seasons at Crest are in full swing, with over 20 students participating. Every night brings a new historical event to the school, from Stratton McGhee collecting the first ever hit in a Crest baseball game to Regan Godderz hitting the first ever home run in a Crest softball game. These sports offer student-athletes another opportunity for growth and learning in a competitive environment, as well as provide entertainment for our school communities. Home softball games are being played at Kincaid, while home baseball games are at Colony. A lot of time, work, and money have been put into the readying of the fields for high school competition. While momentarily wielding the power of the pen, I would like to recognize some of the many who sacrificed much of their own time and resources for our kids: Travis Church, Tony Barron, Karla Boots and Pair of Boots Trucking, Richard Church, Seth and Angie Black, Jay Bowen, Tim Dietrich, Paul Stephens, Brant McGhee, Rick Nelson and Nelson Excavating, Roy Whitcomb, Mike Davis, Bill Johnston, the Kincaid Lions Club, Kevin and Kacie Nilges, Blake Boone, Pat Golden, and Dexter Wiley.

On another note, our communities recently celebrated the life of Susie Bubna. I have not encountered very many people quite like her. In addition to all she has done for people outside of the school, she also had a significant impact on our school district – adults and students alike. She ran the “Good News Club” on Wednesdays after school for over 20 years, drove a preschool bus route, and coached forensics, just to name a few. We may truly never know how many lives she actually touched, but we do know our lives were better because she was a part of them. Her faith, kindness, stadium-sized personality, and joy for life will continue to be a part of our school system for many, many years to come.

From the Desk of Mr. Chuck Mahon, Superintendent of Schools

Spring is here and excitement is in the air as we continue to have a wonderful year of learning here at Crest. As always, we greatly appreciate the combined efforts of all as we support our students in successfully meeting the highest of standards set before them! As we started the month of April, our teachers and staff continue to introduce and review rigorous academic skills and content across all grade levels to prepare for our Kansas State Assessment tests. With roughly three weeks remaining before the end of the year, it is imperative that our students are present each day and eager to actively participate in applying the purposeful teaching and learning taking place. During this testing window, please be sure to support your students by having them at school on time each morning, having had a good, nutritious breakfast, and well-rested from the night before. We thank you in advance for your continued support as our students excel during our state testing. We should have preliminary results in May.

In addition to our state testing, there are a few additional dates and events to highlight. Senior Awards are Friday May 11th at 9:30 in the Crest gymnasium, high school graduation is Saturday May 12th at 2:00 PM and 8th grade promotion is May 14th at 7:00 PM. In addition baseball and softball regionals will start on Monday May 14th and regional track will be Friday May 18th.

Finally with the end of the school year quickly approaching, we want to thank each of you for your ongoing support of our students, our teachers and staff, and our mission here at Crest. This year has been, and continues to be, a success due to the collective efforts of all in providing opportunities for our students to succeed and grow.

Educational Quote of the Month:

“The function of education is to teach one to think intensively and to think critically. Intelligence, plus character that is the goal of true education.”

Dr. Martin Luther King Jr.

Immunization Requirements for the 2018 - 2019 School Year

K.A.R. 28-1-20 defines immunizations required for any individual who attends school or a childcare program operated by a school. Below are the requirements for the indicated school year. Please carefully review the requirements. The usual number of doses required are listed; however there are exceptional circumstances that could alter the number of doses a child needs. If you have questions about your child's immunization status, contact your child's primary care provider or local health department.

Proof of receiving the required immunizations must be provided to the school prior to the student attending the first day of school.

Early Childhood Program Operated by a School Ages 4 Years and Under

Vaccine	Requirement
DTaP/DT (diphtheria, tetanus, pertussis)	4 doses
IPV (polio)	3 doses
MMR (measles, mumps, rubella)	1 dose
Varicella (chickenpox)	1 dose*
Hepatitis A	2 doses
Hepatitis B	3 doses
Hib (haemophilus influenza type B)	4 doses**
Pevnar (pneumococcal conjugate)	4 doses**

Additional ACIP Recommended Vaccines Not Required for Early Childhood Programs

- **Rotavirus:** Three doses recommended for infants less than 8 months of age.
- **Influenza (flu) Vaccine:** Annual vaccination is recommended for all those 6 months of age and older.

Grades 7 - 12

Vaccine	Requirement
Tdap (Tetanus, diphtheria, pertussis)	1 dose~
IPV (polio)	4 doses***
MMR (measles, mumps, rubella)	2 doses
Varicella (chickenpox)	2 doses*
Hepatitis B	3 doses

Additional ACIP Recommended Vaccines Not Required for School Entry

- **HPV (Human Papillomavirus) Vaccine:** Two doses are recommended at age 11 years.
HPV is a cancer prevention vaccine!
- **Meningococcal - MCV4 (Meningitis) vaccine:** One dose is recommended at 11 years of age with a booster dose at 16 years of age
- **Influenza (flu) Vaccine:** Annual vaccination is recommended for all those 6 months of age and older.

Kindergarten - Grade 6

Vaccine	Requirement
DTaP/DT (diphtheria, tetanus, pertussis)	5 doses
IPV (polio)	4 doses***
MMR (measles, mumps, rubella)	2 doses
Varicella (chickenpox)	2 doses*
Hepatitis B	3 doses

Additional ACIP Recommended Vaccines Not Required for School Entry

- **Influenza (flu):** Annual vaccination recommended for all those 6 months of age and older.

Notes

* Varicella (chickenpox) vaccine is not required if child has had chickenpox disease **and** disease is documented by a physician signature. Without a physician signature, vaccine is required even if you believe your child has had chickenpox disease.

** Total doses needed are dependent on vaccine type and the age doses were administered.

*** All students in grades K - 7, all new students and students currently completing the polio series must have 6 months between the last 2 doses of polio vaccine, and one dose must be after the 4th birthday.

~ All students in grades 7 - 12 are required to have one dose of Tdap regardless of the interval since the last dose of DTaP or Td.
